

EMX 15000 SERIES EXTERIOR MURALS

Scale: 1/16th Resolution for Photoshop images: 512ppi at 1/16th scale

Design areas highlighted light green.

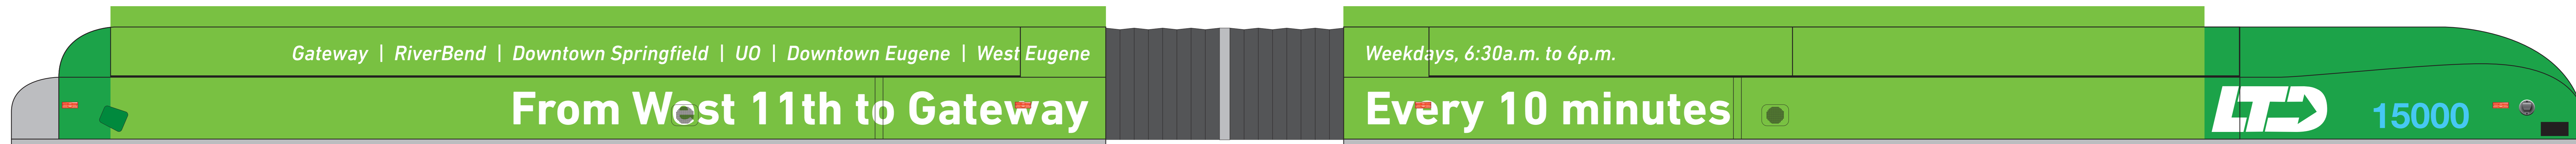

Do not extend beyond the highlighted design area. Keep your work below the obstacles layer.

NOTE: The top 6" are bleed. They will not be visible at street level.

Visible area for all four design areas ends at the black line.
Please bleed your background to the top of the light green boxes.
