

MyTARC

Dear JCPS Parents:

We are thrilled to be introducing our new electronic fare-card system, MyTARC.

MyTARC will launch the first full week of January 2019.

The new system will feature a user-friendly web portal—allowing customers to purchase fare media on-the-go—and a smart farebox on every bus allowing a simple 'Tap & Go' method of payment.

In an effort to ensure all parents and students have a chance to learn about MyTARC, TARC is bringing the system to many JCPS schools in the coming weeks, prior to launch.
