"This is my beautiful niece, Erica. With our busy lives, I wish I had more time to see her. Today while waiting for my bus at the DTC we ran into each other. I'm so glad to see her." Said Angle. Today was a special day for Erica and her aunt Angle. The DTC—more than just a transit center, it's a place to catch up with your loved ones.

Maria has been an RTD rider since she and her family moved to Stockton in 1973. She enjoys reading the newspaper while waiting for her bus. "I remember taking RTD to all the fairs and community events with my children back in the day. Now that I'm older, it takes me home from wherever I'm at in town. I'm appreciative of the memories I have riding with RTD", said Maria.

"Try to not buy a car. Take the bus instead. It helps the environment and it's good for your health."
Meet Nora Clark. Nora enjoys riding her bike and takes the bus every day to work and run errands.
