inkshift I just love that sign 😊😊😊

tomrousculp Soooo good!

theswedishfrisk @hot_bev this could be a cute sign to do like a beach swimsuit shoot by or something neon 😊

mr.dzmitry Always good colors!

windymacas Stop the gentrification colonial land speculation then. @trimet has a lot of corporate leverage. Too much investment to displace the locals.

adamrhew @dirgesh the iconic sign in PDX!
