

Better together.

A Riders Guide to New Service in West Eugene
Beginning September 17, 2017

It's Your Bus. It's Your EmX.

Lane Transit District

At Lane Transit District, we are driven by the people we serve, providing independence to those in the community. Every year, millions of riders depend on LTD to get to work, school, medical appointments, and the many other activities that make this community home. To learn more about what drives us, visit **LTD.org**

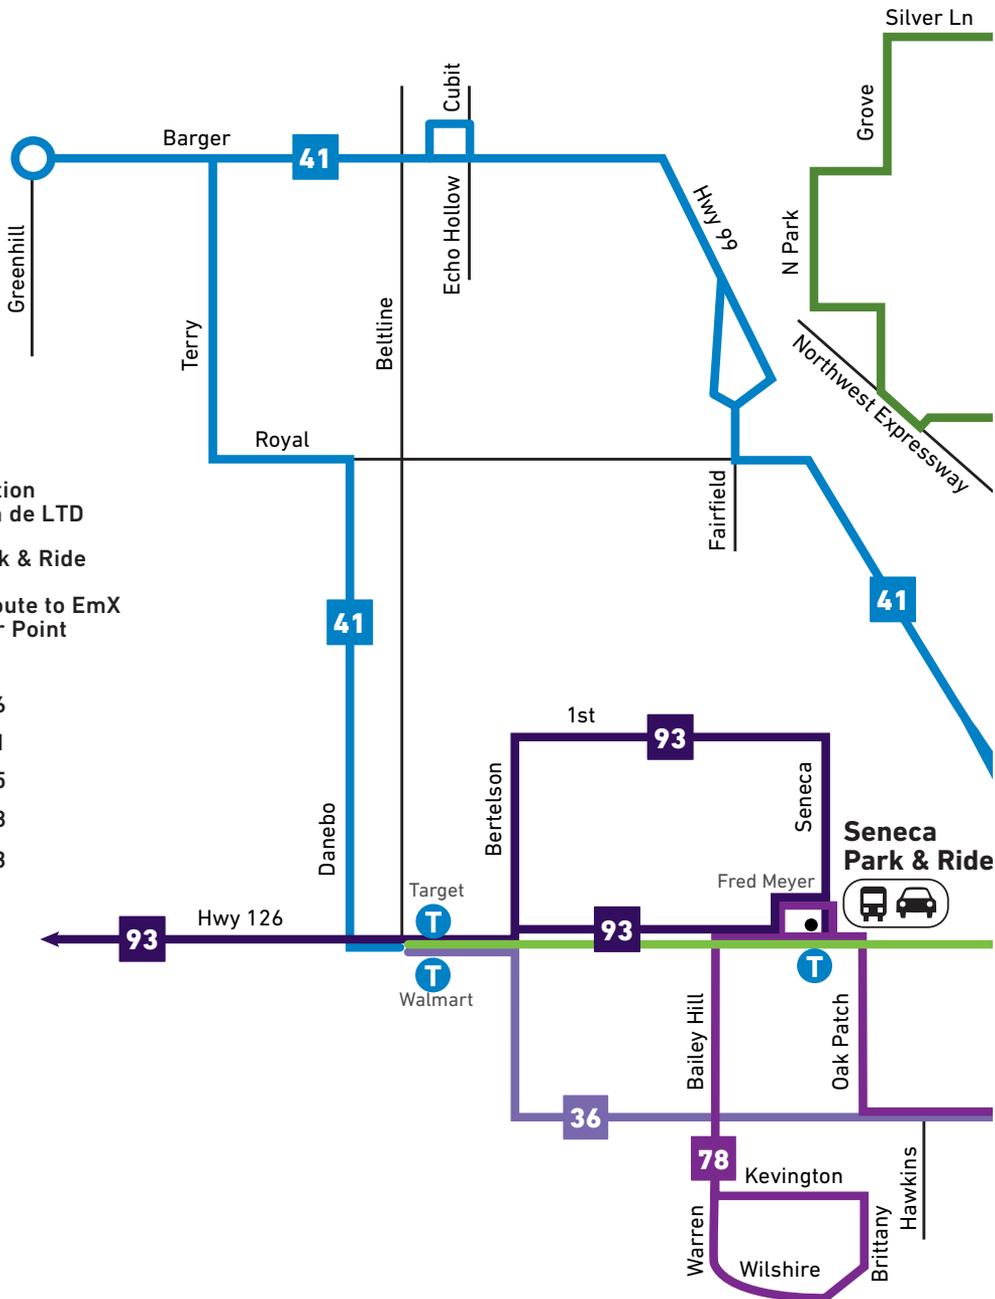

It's Your Bus...

After years of hard work, the newest LTD rapid transit connection on West 11th is complete. With new pavement and asphalt, many young trees that will soon provide shade over the roadway, new efficient street lights, and fiber optic cables enhancing quality of service, **EmX** is ready to take you to more places you want to go. The process was quite an undertaking. Now it's time to enjoy the benefits.

Better Connections

The **EmX West** will complement and expand the new service changes in West Eugene, Churchill and Bethel/Danebo neighborhoods, as it travels along West 6th, 7th and 11th Avenues, and Garfield and Charnelton Streets. This is the latest segment of LTD's popular Emerald Express (**EmX**) system that supports multi-modal travel through key corridors. The new West Eugene **EmX** will alleviate traffic congestion, as well as enhance vital access to employment and activity hubs at RiverBend Medical Center in North Springfield, downtown Springfield, the University of Oregon and other small businesses throughout Eugene.

The community has asked for better connections and faster travel through West Eugene. As a result of collaborative work between elected officials, businesses, and residents, LTD is delivering on the goal of increased transit service to West Eugene and throughout the entire Eugene/Springfield metropolitan area.

About the New Emerald Express (*EmX*) West

Why was it built?

In order to better serve the community, LTD added the rapid transit system to provide greater access to the growing number of businesses and homes being developed on the west side.

What will it do?

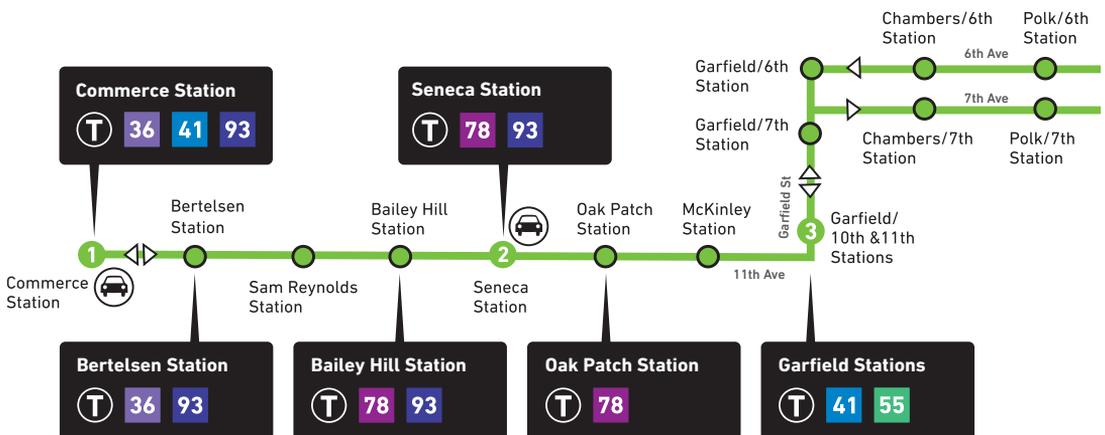

This new system will improve the flow of movement through the West 11th corridor, allowing commuters easy access to home, work, school and errands with more connections and more frequent service.

What's the perk?

EmX delivers a one-seat ride from West Eugene to downtown Eugene, UO, downtown Springfield, RiverBend and the Gateway area.

Frequency?

EmX arrives at each station every 10 minutes on weekdays and 15-30 on weekends!

EmX West from Eugene Station to West 11th and Commerce.

1 Purchase a Ticket
 Tickets are available at each **EmX** Station ticket kiosk.

2 Bus Is On It's Way!
EmX buses generally arrive every 10 minutes on weekdays, 15-30 on weekends.

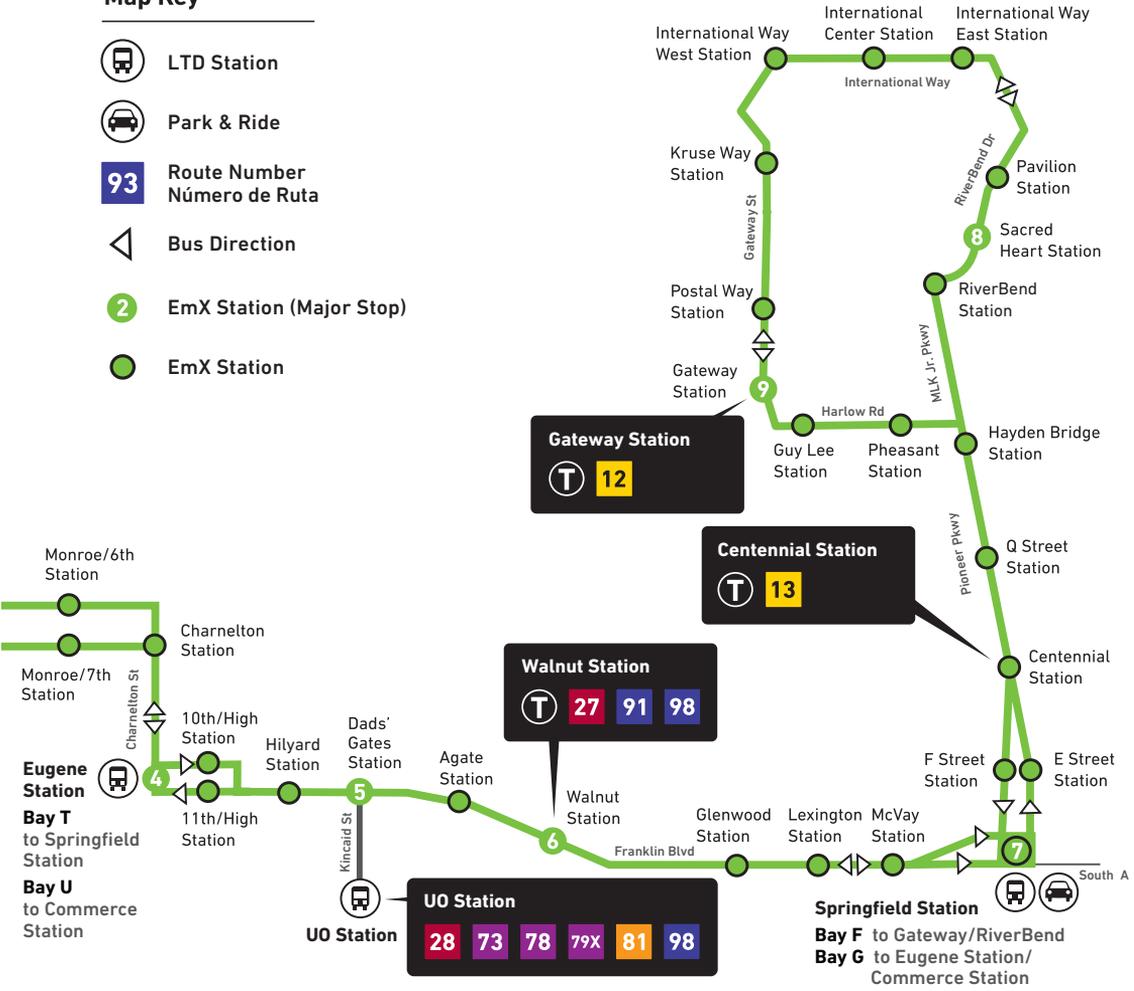

3 Enjoy the Ride!
 Sit back and relax. Pull the cord or press the red button to signal your stop!

36

West 18th Avenue

The changes to route 36 are minimal, and provide better connectivity and travel options.

- Runs from Eugene Station to West Eugene Walmart.
- Connects to routes 41, 93 and **EmX**.
- No longer serves Arrowsmith at Terry.
- Connects with Route 93 which has added service, times and days.
- This route is affected by snow and ice detours and 4J school breaks. Please refer to the LTD Snow and Ice Digest, available online at LTD.org.

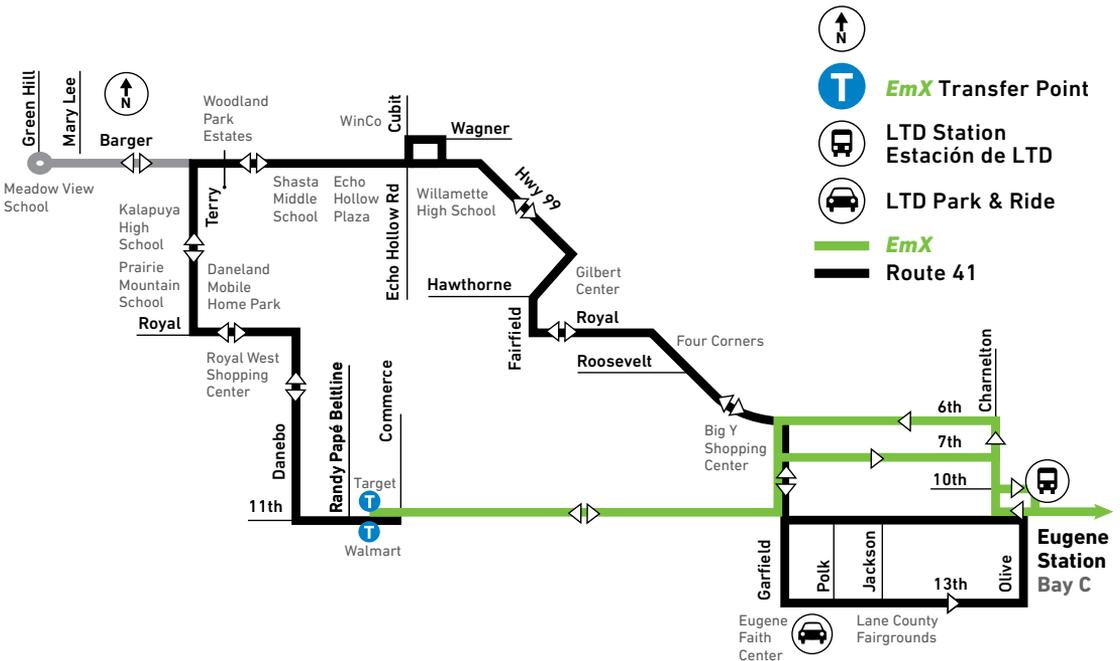

41

Barger / Commerce

Route 43 incorporated into Route 41 and now travels in both directions.

- Runs from Eugene Station to West Eugene Walmart and returns to Eugene Station.
- Now serves West 11th to Garfield.
- Connects to Routes 36, 93 and **EmX West**.
- Connects to **EmX** at 11th and Commerce.
- Connects to Route 55 at Garfield.

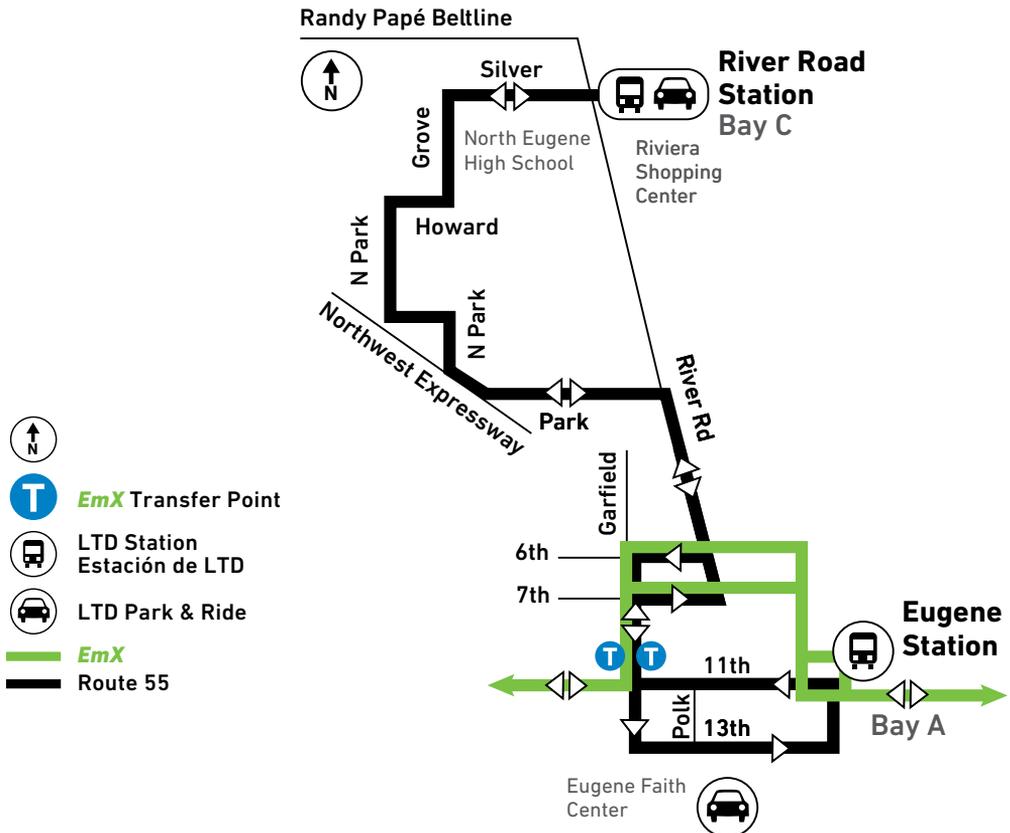

55

North Park

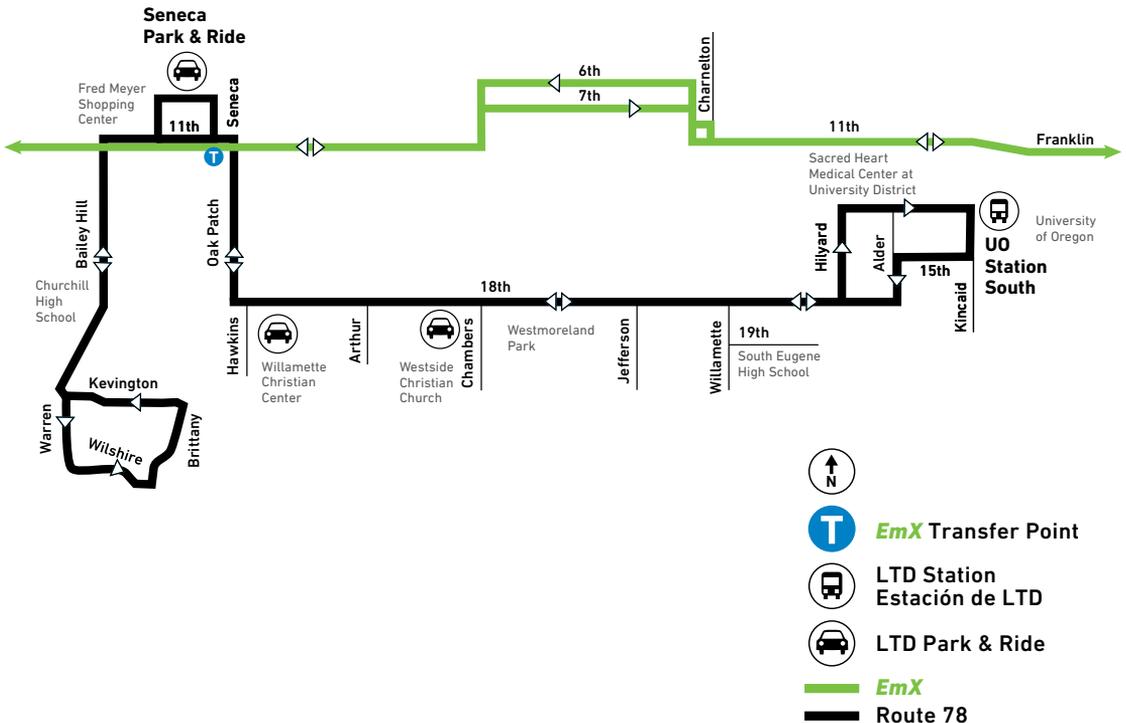

Route 55 now avoids the railroad tracks and connects to new transfer points.

- Runs from River Rd. Station to Eugene Station.
- Connects to Route 41 and **EmX West** on Garfield.
- Reduces travel time to Bethel area.
- Eliminated duplicate service.
- No longer need to travel to the Eugene Station for West Eugene destinations.
- Increases service on 13th.

Route 76 incorporated into Route 78.

- Runs from UO Station to Seneca Park & Ride.
- Runs every 30 minutes – Route 76 used to have 60 minute service.
- Serves Seneca Park & Ride for all trips.
- Serves Wilshire/Warren area (previously served by Route 76).
- Transfer to the new **EmX** at Seneca Park & Ride and connect to Route 93-Veneta from Seneca Park & Ride.
- New traffic signal at Oak Patch and 18th.

Rider Tips

For EmX

- **New on EmX**
Pull the cord or push the red button to signal a stop. Listen for an announcement before approaching each station, including which side of the vehicle to exit.
- **Purchase a Ticket**
Purchase a ticket at an **EmX** Station vending machine. Be sure to hold onto your ticket for fare inspection once on board. All fares are valid on both LTD regular bus service and **EmX**.
- **Biking?**
On board bike parking is available.
- **Boarding**
Board with all of your possessions at the same time; doors can close without warning.
- **Smooth Boarding**
Station platforms are at the same height as the bus.
- **Need a Ramp?**
If you need a ramp to bridge the distance between the platform and the vehicle, notify the operator.
- **Strollers on EmX**
Be sure the stroller does not block the aisle. If the aisle is blocked, you may need to fold and stow your stroller.
- **Frequency**
EmX provides ten-minute service on weekdays and 15 to 30-minute service on evenings and weekends.

For All Bus Routes

- Allow passengers to get off the bus before you board.
- Stop and look both ways before crossing the road, especially along the **EmX** line. At some locations, **EmX** operates in the opposite direction of other traffic.
- The bus driver is allowed to begin movement of the bus once doors are closed; please find your seat quickly.
- Seating in the front of the vehicle is reserved for seniors and people with disabilities.
- Once the doors close, the bus driver is not allowed to open them until the next bus stop.
- Need training or want to practice boarding an LTD vehicle? Contact Alternative Work Concepts at 541-345-3043.

Plan Your Next Trip!

LTD's website is a great tool to view routes, schedules, real-time information, service alerts, news, events and more.

Thank you...

LTD wishes to thank the merchants, residents, shoppers, and motorists for their continued patience as we navigated the business of improving West 11th Avenue together. With the help of project partners, federal and state funding, building better connections and improved transportation for the community was a dream that is now a reality in West Eugene.

Enjoy the ride!
