A LITTLE HELP CAN GO A LONG WAY.

CATS and Lyft are teaming up to help you get where you're going and connect you to home / work from the Parkwood LYNX Station. How does it work? CATS will provide a \$4.00 credit toward an eligible Lyft trip in the geo-fenced map area displayed below. There are two ways to participate. CATSPass Mobile App: Purchase a monthly pass via CATSPass mobile app. Within 24 hours Lyft will activate a code in your Lyft app to use their service to or from the Parkwood LYNX Station within the geo-fenced map displayed below. You can use it up to 40 times per month and receive up to a \$4.00 credit per trip.

Station Only Code: If you have a regular valid CATS/LYNX pass then enter the Station Code 18PKW in your Lyft app to get up to 2 trips per month and a \$4.00 credit on a Lyft trip from or to Parkwood Station within the geo-fenced map displayed below. You can use this Station Only Code option twice per month while supplies last.

- 1 Must purchase monthly pass from CATSPass mobile app available on iPhone and Droid and for the current month.
- 2 CATS will contribute up to \$4.00 per trip with the customer paying the remaining Lyft cost while budget lasts.
- 3 Must have the Lyft app to participate and abide by all Lyft rules and requirements.
- 4 StationOnlyCode has a maximum use of 2 per customer and a maximum of 100 rides each month from Parkwood Station while supplies lasts.
