## DART Electric Buses – Catch a Ride Today!

### Catch a Ride on the Route 60 ▶

Catch a ride on the all new, all electric buses today! Every DART electric bus comes packed with over 660kWh of people-moving power. 100% planet-saving sustainability. And a grand total of zero emissions. They cost less to operate too!

Powered by MidAmerican Energy, DART electric buses are the only bus with a gas-free guarantee. Catch a ride today on the [Local Route 60 – University/Ingersoll](#).

Route 60 travels from DART Central station along University Ave. and Ingersoll Avenue. Destinations include Wells Fargo Event Center, Mercy Medical Center, DMACC Urban Campus, Drake University and dozens of restaurants and shops along the Ingersoll corridor.

### How to Catch a Ride ▶

- Download the [MyDART App](#) to plan your trip, find out when the next bus is coming and purchase your bus passes.
- You can also [plan your trip](#) or check the [Route 60 schedule](#) right here at [ridedart.com](#).
- Don't forget, the Route 60 travels in both directions! Be sure you are at the right stop and reading the right schedule for your direction of travel.
- While riding, be sure to check out all the [cool features](#) offered on DART electric buses.

### Clean, Quiet, Connected ▶

DART electric buses are clean, quiet and connected. [Learn more](#) about how Iowa's first electric buses are different from their diesel counterparts and DART's pilot project to test how the zero emission vehicles will operate in Greater Des Moines.
